

# The Exaltation and Reproach of a Nation

## *Proverbs 14:34*

### Introduction:

- A. *"What has been is what will be ... there is nothing new under the sun"* (Eccl 1:9-10).
- B. Consider four *"nothing new"* pitfalls from *Jeremiah 6:9-15* that afflict our own nation.

I. **Outward expressions of religion with little or no \_\_\_\_\_ in God's word (6:10).**

II. **People who are relentlessly driven by \_\_\_\_\_ (6:13).**

III. **Empty assurances from the comfort and soothing of \_\_\_\_\_ teachers (6:14).**

IV. **A failure to be \_\_\_\_\_ of sin (6:15).**
