Source text 2 Peter 1:1-10

Learning from the wisdom of the Holy Spirit given through the words of Simon Peter, let's look again into 2 Peter 1:1-10.

In verse 5 & 6 he says, "For this very reason, make every effort to supplement your faith with virtue (excellence) and virtue with knowledge and knowledge with \_\_\_\_\_."

What else are we to strive to add to our faith?

- Virtue
- Knowledge
- Self Control
- Steadfastness
- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

We can define steadfastness as: firmness in \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_

- James gives us wisdom from 1:3-4 & 5:11 to help us see the effect of such steadfastness.
- Who in James 5 does he reference as an example of GREAT steadfastness? \_\_\_\_\_
- Paul instructs Timothy of the need for steadfastness (1 Tim. 6:11 & 2 Tim. 3:10)
- Paul praises the Thessalonians for it in \_\_\_\_\_ & \_\_\_\_\_

And the steadfastness of \_\_\_\_\_ while wandering in the wilderness is worthy of great meditation!

**WHERE IN MY LIFE MIGHT I WORK ON DEVELOPING A GREATER STEADFASTNESS?**
