## *What Does It Mean to be Spirit-Led?*

- A. Have you realized how dangerous and self-defeating it is to direct your own steps (*Jer 10:23*)?
- B. On my own, I have wandered far from God into the slavery of sin and the fear of judgment.
- C. But in Christ Jesus, victory *can* be found. Growth *can* be experienced. A vibrant, purposeful, joy-filled walk with God *can* be reality... if we “*set our minds*” in the right direction.
