

A Kingdom That Cannot Be Shaken

Worldly distractions are powerful and can steal our attention away from what's important. Fortunately for us our God is all-powerful (*Jer. 10:10-13*). He wants us to remember the perfect home He built for us. God wants our attention and He shook the earth to definitively highlight some of the most important points in the Bible.

- The earth shook (*Gen. 7:11*) as God delivered _____ and his family.
- The earth shook (*Gen. 19:24-28*) as God swiftly and righteously pronounced judgement upon those living in _____ and _____.
- The earth shook (*Ex. 19:18*) as God spoke to _____ on _____.
- The earth shook (*Num. 16:1-40*) when God destroyed _____ for rebelling against Him.
- The earth shook (*Joshua 6*) when Israel overcame the walls of _____ as the city fell.
- The earth shook (*1 Sam. 14:15*) the when Israel conquered the Philistine Camp near Geba.
- The earth shook (*1 Kings 19:11-12*) before God spoke to _____ on Mount Sinai.
- The earth shook (*Amos 1*) and validated _____ position as a writing prophet in Israel.
- The earth shook before the ministry of Christ.
- The earth shook (*Matt. 27:51-54*) when Jesus was offered as _____ for the sin of the world.
- The earth shook (*Matt. 28:2*) to show the world _____ is risen.
- The earth shook (*Acts 4:31*) as _____ spoke boldly.

The greatest earthquake is still to come (*Rev. 16:16-20; Acts 1:9-11; Psalm 46*); and after God's voice shakes the earth mightily (*Hebrews 12:26*), His saints will receive a "kingdom that cannot be shaken" (*Hebrews 12:27-29*).

In our self-centered, fast-paced society God would have us pause and consider His sovereign nature and the program He has been accomplishing in the world.
