

A Spiritual Exam

Introduction: Looking ahead to 2017

Already?

Tonight's Lesson: A Spiritual Exam

Examples of New Testament churches that had to examine themselves as a congregation to see if they were in line with God's Word:

- *1 Corinthians 1:10*
- *Revelation 1-3* where seven churches were called into question by the Lord when being examined

Tonight we're going to do this examination looking at three key areas:

1. Our Past

2. Our Present

3. Our Future

In Closing: As we reflect back on our spiritual health or lack thereof...

- Let's heed the warnings set forth from these principles
- Let's do what we can individually to grow ourselves so we can then help grow this congregation as God would have us do
